DAY 4 SUNRISE GAME DRIVE AND BUSH LUNCH IN SERENGETI

In Serengeti, you will join spectacular game drives. The evenings and sunsets will be enjoyed at the luxury tents, with delicious food, bonfires, good talks, and a sky full of stars. The last two nights in Serengeti, you stay at the beautiful Pure Tented Lodge, with breathtaking views of the endless plains.

DAY 5 EXPLORING THE NGORONGORO CRATER

On day 6, early in the morning, you will have an early morning game drive when we set the course to the Ngorongoro Crater. You will enjoy and explore the Ngorongoro crater, which is probably the most spectacular national park globally (in line with Serengeti). The Crater is also listed as UNESCO's World Heritage Site, and you will soon understand why. The Crater is a result of both volcanic eruption and a meteorite fall. The Crater is a spectacular area filled with wildlife and stunning nature. Lunch will be served by the hippo pool, enabling you to picnic while watching the hippos in what we firmly believe is a slow movie.

In the evening, we drive to Karatu, which is outside the crater, yet within the Ngorongoro Conservation area. Here, you may enjoy a refreshing swim in the pool before dinner, and maybe a tee or a glass of wine in front of the cozy fire place, before you get a nice sleep.

DAY 6 BACK TO ARUSHA/AIRPORT FOR GOING TO ZANZIBAR, HIKE TO THE ELEPEHANT CAVES, AND A GOURMET LUNCH AT GIBBS FARM

The last day , we will drive you back to Arusha. For an extra cost, you will however have the opportunity to stretch your legs, along with a ranger, and visit the Elephant caves next to Gibbs Farm in Karatu. You will walk through the rainforest and spectacular waterfalls before getting to the caves where elephants come for minerals. The hike is, in particular, spectacular for bird watchers! The hike will end at Gibbs Farm, where you can will enjoy a splendid 3-course gourmet lunch overlooking the Great Rift Vally (extra 20 USD per person - the price may vary). The Farm is one of our favorites in Tanzania, and it is hard to disagree with us - as it is also this year in the final for the world's Best Awards in Travel + Leisure. After lunch, we will drive you to the airport and your flight to Zanzibar!

We will then go with our boat to Mnemba island, probably one of the most beautiful snorkeling spots in the world. We will anchor the boat, chill out for an hour or two, enjoy some fresh tropical fruit, sunbathe, and snorkel before going back to the beach, where Othman's good friend and brilliant chef has arranged a delicious seafood lunch for us. Enjoy, with all senses, before we take you to the beach and the resort you will stay for the rest of your holiday!

The 3 last nights on the trip, we will stay at the beautiful East Coast of Zanzibar. There's never a dull moment at Zanzibar's vibrant east coast. You must come to Paje at least once in your life.
